

Are we FUNDING Israel to **kill**?

"Each riyal, dirham ...etc. used to buy their goods eventually becomes bullets to be fired at the hearts of brothers and children in Palestine.. To buy their goods is to support tyranny, oppression and aggression." - Sheikh Yusuf Al-Qaradawi

You too can **fight** against Israeli oppression. Help **fight** the **war on terror**. **Stop** Buying goods that support Israel and its terrorist activities. **Stop** supporting companies which support Israel.
